

Easter Egg Trail 1st to 14th April

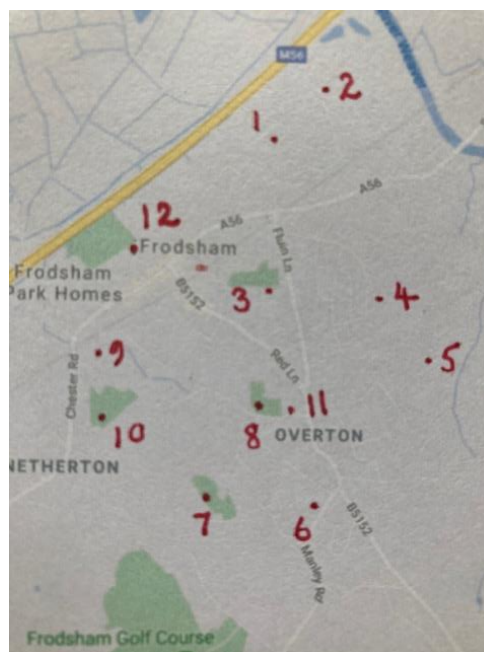

Over the Easter holidays Frodsham WI is setting out an Easter Egg Hunt around the lovely green spaces of Frodsham.

Sorry, these aren't chocolate ones, just 110 painted wooden ones. The idea is to follow the trail round the town and see how many you can spot. **But please don't remove them or they won't be there for other children to find.**

You might discover places, like Marshlands or Manley Copse that you've never been to before.

Included here is a list of places to visit and how many eggs to hunt for, and a map showing you where those places are.

Happy Hunting everyone, and remember to stick to current government guidelines.
