## **HELP US MAKE FREE MONEY THIS CHRISTMAS**

Dear Parents,

As you know, Ashton Hayes Primary School PTFA is an integral part of the school community, raising money every year for extra equipment and resources to help boost the children's learning experience. We work very hard organising events throughout the year, as well as having a bit of fun in the process!

But there is an even easier way for us to generate **FREE MONEY** for the school – which requires very little effort at all – Easyfundraising.

Easyfundraising is a charitable cashback shopping website, which includes all major retailers - from the supermarkets to Amazon, Next, John Lewis, Marks and Spencer, Argos and many more.

All you have to do is download the Easyfundraising app onto your iPad, phone or computer– using the Ashton Hayes page link below – and start shopping. Every time you buy something the retailer gives a percentage of the full cost – anything from 0.5% to 3% - to Ashton Hayes PTFA.

No bank details are entered onto the site, just an email and password is required.

There is also a small download called “find and remind” which you can pin to your bookmarks bar and it will automatically remind you if a retailer you visit is part of the scheme, so that you never forget to claim a donation.

With Christmas just around the corner many of us will be doing a lot of shopping online in the next few weeks and this is a very quick and easy way to raise valuable cash for the PTFA from the comfort of your sofa.

If you have any problems – email Liz Moulton [lizhull76@gmail.com](mailto:lizhull76@gmail.com) (who is already using the app) – and she will try and iron out any of your problems/concerns.

Thanks in advance,

Your PTFA team
