

ASHTON HAYES PRIMARY SCHOOL

HOME/SCHOOL AGREEMENT BETWEEN PARENTS OR CARERS AND THE SCHOOL

Notes for parents

All pupils benefit from a good relationship between home and school, and at Ashton Hayes Primary School we are committed to developing such relationships. This agreement formally recognises our responsibilities, and is consistent with the school's behaviour and homework policies. Children are invited to sign the agreement and we ask that parents support this. All school policies are reviewed regularly and are available to parents.

The school's aims are on the school website. These create the ethos in which we want children to grow and flourish and they represent our values as a school community. We want children to achieve success academically and in every other way, and each year we set appropriate targets for our children. The school's overall targets and achievements in national tests are reported to parents and governors, and you are welcome to discuss your child's individual progress at any time by appointment with the relevant teacher.

Signing the agreement is voluntary and is welcomed by the staff and governors, but the absence of a signed agreement does not exempt any pupil from complying with school rules. The school will always sign its section of the agreement and abide by it.

The School will:

- Provide a safe, secure and happy environment which is in line with our school motto 'Aspire to be Amazing'.
- Encourage children to do their best at all times and aim for high standards.
- Encourage children to take good care of their surroundings and others around them.
- Provide a broad, balanced, challenging and exciting curriculum, including moral, spiritual and cultural development.
- Inform parents of their child's progress at regular meetings, and provide early warnings of problems if these arise.
