## Local Visits Consent Form

Whilst children are at school, we endeavour to organise visits and trips to places which will help with their learning. These are often short excursions which may only take a small part of the day and are usually into the village, to the park, local shop, church, woods or on footpaths. Trips outside of the local area and longer journeys will be communicated by way of a letter to parents/carers giving full details. However, it would help us to have your permission to take your child on short local visits without a formal letter each time. These trips would be on foot. The children will be advised of the visit verbally. Please be advised that visits will always be undertaken with an appropriate adult/child ratio. I ask therefore that you sign the permission slip below giving consent for your child to go on short local visits during the school day. I understand that I may withdraw my consent at any time by writing to the Headteacher.
