Tallest Sunflower Competition

Who can grow the tallest sunflower?

- On Friday 26 March, all children will receive an Easter treat pack, in part containing a biodegradable seed pot, some sunflower seeds and some seed compost – planting and care advice will also be provided.
- This event will be on Parentpay, raising valuable funds for the school. Please make a suggested donation of £3 per treat pack (all funds raised directly benefit your children).
- We will be growing our sunflowers from this weekend until the end of August. We will do our final measurements on the 28th August.
- Please upload your sunflower pictures and measurements to the school Facebook page, or send in by email. We'd love to see your progress along the way too!
- We will announce the winner and award their prize at the beginning of September.

Here are some tips for growing giant sunflowers:
