

Dear Kestrels

We have been thinking about the bakery and we would like some new ideas for our cake decorations and designs. Please could you design a cake for me using your best ideas and imagination (you might even want to have a go at making it?) have a go at adding some labels for your cake to tell me what you are decorating it with... (for example if you add smarties you might be able to hear and write the s , m or t sounds)

Please can you email photos of your splendid cakes to Mrs Cuthbert?

Thankyou

Mrs Baker at the Gingerbread man bakery
