

# The Quick Queen

The queen runs fast. The queen is quick! "Quack, quack!" go the ducks as the quick queen runs.

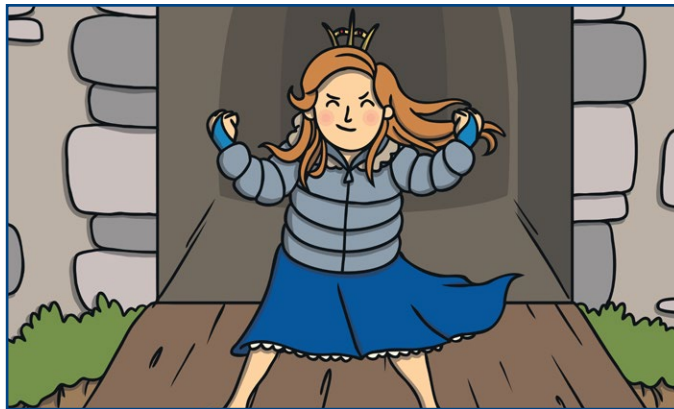

The quick queen runs in the sun. The quick queen runs at night in the rain.

The queen gets a chill. Quick, bring her a quilt!

The queen says "achoo, achoo!" Be quiet, queen! The poor queen is sick.

But the queen will not quit! The queen will not be quiet! The queen gets up. Quick, bring her a coat!

The queen's coat helps to keep her well. The queen keeps on being quick!
