

Silly Stories

It is important for children to practise making up stories.

Can you make up a story with a friend or grown up by only saying one word each at a time? Take it in turns saying a word that leads on from your partner. The stories are sometimes a little silly but quick and fun.

One day there was a little sausage called Bertie who lived in a shoe.

You can use the words below to help you join your ideas. Don't forget these words help us tell stories and make up stories.
